German for juniors | Residence Courses

did deutsch-institut Berlin-Mitte

Nowhere is learning German more exciting than in Berlin! It took just a few years and the German capital transformed (again) into a true metropolis. Berlin might not be beautiful, it isn't elegant or glamorous – but Berlin is *cool* and *trendy*, exciting and so refreshingly different that you have to experience this city in order to understand why it has such an attraction for more and more people from all over the world... If you decide for the residence course in Berlin, you will not only experience a fascinating metropolis but you'll have the opportunity making friends with people from all kinds of cultural backgrounds. And while you discover the city with your new friends, you practice the language – Studying German can't be more fun than that.
